*News*

Every year, thousands of poor children experience a Christmas without hope. Burdened by poverty, their parents are simply too poor to provide anything but the most basic necessities. These are children who never held a picture book, never worn a new shirt, or never owned a toy.

This year, dozens of overstuffed boxes were donated by Candidates for Confirmation and parishioners for the *Box of Joy* project. Cross Catholic Outreach, an International Catholic Stewardship Council, supports missions around the world. The small gifts, including a mission rosary, packed in a *Box of Joy* will show God’s unconditional love and will spark the joy every child should experience at Christmas. Most importantly, *Boxes of Joy* are symbolic of God’s greatest gift, his Son, Jesus Christ.

Thank you one and all.

**GIVING TREE:** All gifts must be returned by the weekend of December 12<sup>th</sup>.

*Gifts returned after this date are often not deliverable before Christmas.*

The Church is open for you to take a tag outside of Mass times as well as to return gifts.

The Social Concerns Ministry would like to thank you in advance for your continued generosity to those in need.

**From the Social Concerns Ministry:**

**THANKS!** Mary Fussell and her entire volunteer staff, of the “Blessed Sacrament Church St. Charles Borromeo Food Pantry,” would like to extend their sincere appreciation to OLBS’s Parishioners for all of their generous donations.

## Detergent Pods: A Serious Safety Hazard

Risks to our children's safety come in many shapes and sizes. As parents and caring adults inappropriate adult conduct is not the only risk to watch for; we must also create safe environments to protect our children from other risks.

According to a recent study published in The Official Journey of Pediatrics, laundry detergent pods (as well as dishwasher pods) are one thing that we should strongly consider avoiding. If used, they must be kept out of reach of children or in a child-proof container.

While they may be more convenient than conventional detergents, these pods are far more concentrated and, therefore, much more toxic. Of the children affected, 70% were under the age of three.

It is easy to see why a child would be interested. Toddlers and babies are attracted to a bright liquid detergent pod tempting them to bite it to see if it is candy or juice.

## Confirmation Commitment Ceremony

Young people from our parish, who are beginning their journey toward the Sacrament of Confirmation will be accompanied by their parents, on Sunday, November 22 at the 12:00 mass to take part in the Confirmation Commitment Ceremony.

After the homily in a brief ceremony, the young people will present a signed commitment to Msgr. Hynes to express their desire to fully take part in this period of preparation. We pray for our new Candidates that the Holy Spirit will guide them on the path toward Confirmation.
